Animal Advocacy reserves the right to reclaim the adopted feline if the animal is not being cared for properly (i.e. lack of food/water shelter, roaming free, or any form of neglect, including failure to neuter). Animal Advocacy also reserves the right to reclaim the feline if we discover that false information was provided on this form or during the adoption process.

ADOPTER'S AGREEMENT

I, as the guardian of this companion animal, agree to the following conditions:

- 🐾 I undertake the permanent care of this feline and am aware of the time and costs involved. I accept full responsibility for the feline and indemnify Animal Advocacy and any of its representatives against any claim for damage or injury caused by this feline. I understand that no guarantee is given by Animal Advocacy as to the fitness of the feline for any purpose.
- 🐾 I agree that the feline is being adopted for myself and will not be sold, adopted or given to another party.
- 🐾 I agree to care for the feline in a humane manner, be a responsible animal guardian and do all that is necessary to maintain the sound health and fitness of the animal. This includes:
 - 🐾 providing proper food, water, shelter (including outdoor shelter and shade), exercise and affection; providing the feline with necessary vaccinations and veterinary care as appropriate; obtaining adequate and professional advice if I have any issues with my adopted feline; keeping a collar, with identification tag, on my feline at all times; microchipping my feline; never abusing or neglecting the feline
- 🐾 If the feline is not spayed/neutered at time of adoption, I agree that I will have he/she spayed/neutered at the appropriate time (no later than 4-5 months of age or as agreed with Animal Advocacy). The feline shall not, under any circumstances, be used for breeding purposes.
- 🐾 I agree to give my veterinarian permission to give details of the feline's treatment to Animal Advocacy on request.
- 🐾 Animal Advocacy believes this feline to be in good physical health (other than any health problems noted on page 1) but cannot give any guarantees. Please keep Animal Advocacy informed of any health issues. If the feline falls ill within the first three days after adoption I will bring them to an Animal Advocacy approved vet. If it is proven the feline contracted the illness while under Animal Advocacy's care I understand Animal Advocacy will be responsible for the feline's recovery.
- 🐾 I authorise Animal Advocacy or their agents to have reasonable visitation rights to my home, to ensure that the feline is being properly treated and cared for. If Animal Advocacy or any of its Welfare Representatives shall so demand, I agree to return the animal to the group immediately on request, and reimburse any expenses incurred in bringing the feline back to full health.
- 🐾 If for any reason I cannot keep the feline, I will notify Animal Advocacy immediately, giving them the option to collect the feline, before taking any other action. I will not request a fee, or expenses, and will supply a medical history, vaccination certificate, health certificate and a behavioural history.
- 🐾 I confirm that neither myself nor anyone in my household have never been cited by police or health officials for an animal related problem.
- 🐾 I agree to keep Animal Advocacy informed of my current home address, phone number and email.

I have read and understand the above terms of this agreement and agree to all of them. I understand that any failure to abide by the terms of this Adoption Agreement will constitute a breach of contract. In that event, Animal Advocacy reserves the right to reclaim ownership of the feline immediately.
